

ENCLOSURE SOLUTIONSfor the OEM, COMMERCIAL,
CONSTRUCTION and MRO Markets

Today's market segments like wastewater, food processing, petrochemical, green-focussed breweries and mining to name just a few, demand the very best in protection. Wiegmann designs it's enclosure in accordance to UL/NEMA standards and builds them to last.

Whether in 304 Stainless, 316 Stainless, Aluminum or Non-Metallic, Wiegmann uses only the best materials to help meet your performance needs - even in the most demanding environments.

One of the largest, standard, custom and modified product offerings available.

Market segments include:

- Petrochemical
- Mining
- Pulp & Paper Processing
- Food
- Wastewater Treatment
- Steel Mills
- Breweries
- Power Plants

- Conveyors
- Automation
- Machine Tooling
- Automotive
- System Integrators
- Commercial/Contractor
- Original Equipment Manufacturers

POSITION AND PROTECTION at your command!

WIEGMANN[®]

NATIONALLY RECOGNIZED

Today, the Hubbell-Wiegmann name has become synonymous with traditional NEMA enclosures, JIC enclosures, Non-Metallic enclosures, Stainless enclosures, Aluminum enclosures and Wireway systems. With over 7,000 different standard products in stock, Wiegmann has one of the most complete Industrial/Commercial enclosure packages in North America.

- ► A subsidiary of Hubbell, Inc., a diversified \$3 billion global manufacturer, with over 12,000 employees in 9 countries.
- ► Automated tier one enclosure manufacturer.
- ▶ 100% "USA" based/manufactured enclosures.

WIEGMANN® ADVANTAGES

- ▶ 80 years of extensive experience in manufacturing electrical enclosure for the OEM, Commercial contractor, and MRO markets
- ► **HUBBELL**® Owned/Driven
- Supports ALL buying group partners "AD, IMARK, EQUITY"
- Aggressive SPA's, Marketing Programs, and Competitive Pricing
- ► Hubbell Electrical Systems Synergies "set to grow YOUR business"

 WIEGMANN® KILLARK® RACO® BRYANT® ■■□□®
- ► Full breadth product line...7,000 SKUs
- ► Long history of OEM support "KING of Specials Lead Times"
- ► Service Driven "small core group of direct decision makers"
- Distribution loyalty
- Regional and local availability
- Specialize in extreme/corrosive environment protection, "304SS, 316SS and Non-Metallic applications"
- ► Tier One Quality

Wiegmann® has always recognized that our customers in the electrical and electronic marketplace need reliable, high quality enclosures and environmental control products to meet their protection requirements. Protection requirements today not only mandate NEMA Type 12, 3R, 4 & 4X, but also require a broad mix of BTU & size selections.

Wiegmann is proud to offer those choices via a whole new line of A/C products. They are: Advantage Series, Trim Line Series, Micro-Mini Series, Integrity Series, Top Mount Series and the Vortex Cooler® A/C Series.

Integrity Series - NEMA 4/4X Advantage Series - NEMA 3R Trimline, Micro-Mini, Top Mount Series - NEMA 12

- Side/top mount
- 1,000 to 13,000 Btus
- M/Tab template installation
- Closed loop
- CFC-Free refrigerant
- EMI/RFI suppressor
- Reversible condenser blower outlet
- 115/230 volt options

Vortex Series "Compressor Driven"

- Panel Guard NEMA 4
- Vortex A/C NEMA 4X
- Vortex Cooler NEMA 12
- Dual Vortex Cooler **NEMA 4/4X**
- 900, 1500, 2500, 5000 btu options
- Physical size (in cubic inches) 204
- Average installation temperature 15 min.
- Maximum ambient temperature 175F (79 C)
- Operating noise level 62-64dBA
- Optional continuous purge Yes
- Weight 6 lb.
- Mounting footprint 25.5 sq. in.
- Competitive 1/3rd the cost
- Warranty 10 years

Vortex Cooler® ITW Air Management

Other Environmental Options include:

- Passive
- Fans & Vents
- Heat exchangers

MODIFIED STANDARDS & SPECIALS

As a tier one manufacturer, Wiegmann® is set up to provide a wide range of materials from carbon steel, galvanized, stainless, aluminum and painted. Today's customer requires a wide array of special colors, that's why Wiegmann offers (as an option), over 200 special colors in Polyester Powder. Wiegmann's long history of O.E.M. support stems from the cornerstone that founded our business - SPECIALS. Whether the application requires punching, tapping, studs, channel iron, sub floors, weather hoods or non-standard materials and sizes, *Wiegmann delivers*.

Why is Wiegmann the KING OF SPECIALS?...

- · Cost effective manufacturing technologies
- Number one in high volume turn around times
- Dimensional changes don't affect our flexible manufacturing lines
- Select from over 200 standard RAL colors
- Specify special studs, pems, latches, holes, cutouts, barriers, windows and more
- · Over 80 years of enclosure experience
- Assisted O.E.M./Customer take-off designs

THANK YOU

Wiegmann's tradition of quality, not only apparent in its products, is also recognized via its superior operation, reliable performance, and dependable service. This is what distinguishes Wiegmann from the rest of the competition! In today's fast pace lean environment, our mission is to be flexible and focussed, with a relentless pursuit of listening to our customers.

Wiegmann understands that you have a choice in selecting an enclosure supplier and we are pleased you have selected Wiegmann as your partner. Being a buying groups partner allows us to share our resources to help you grow sales, maintain superior service, showcase new products, minimize transaction costs, and increase profitability.
