Compact, Efficient Desktop Scanning.

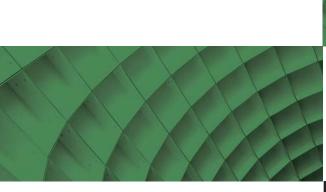

## fi-5110C Color Duplex Workgroup Scanner

The gateway to professional document management.

- ► True, 600-dpi optical resolution with dual-CCDs capture minute details
- ▶ 50-page automatic document feeder with double-feed detection
- ► Fast, 15 ppm (simplex) / 30 ipm (duplex) scanning in monochrome and color
- Includes high-speed USB 2.0 connectivity and Adobe® Acrobat® Standard, ScandAll 21 and QuickScan™ utilities
- Reduce downtime with Fujitsu service and support

## fi-5110C

## Color Duplex Workgroup Scanner

Get paperwork out of the way with this powerful desktop scanning solution

The Fuiitsu fi-5110C scanner's small footprint and advanced feature set make it an ideal solution for decentralized scanning applications. With its true, 600-dpi optical resolution and dual-CCD scanning arrays, it captures your documents' finest details in color and monochrome. What's more, it shares much of the advanced technology found in high-end scanners, including high-speed USB 2.0 connectivity, a 50-sheet automatic document feeder (ADF) that accommodates a wide range of document sizes (2.1 in. x 2.9 in. to 8.5 in. x 14 in.), and double-feed detection for reliable scanning. Plus at speeds up to 15 ppm (simplex) / 30 ipm (duplex) it quickly and efficiently transforms your paper documents into more manageable digital files.

Adobe® Acrobat® Standard, ScandAll 21 and QuickScan™ utilities are included with the Fujitsu fi-5110C scanner, which allow you to quickly and easily integrate it into your workflow. Help maximize uptime with service by Fujitsu The fi-5110C scanner includes a one-year Depot, Limited Warranty. An upgrade to the Advance Exchange program is also available to eligible purchasers. For full details on the Limited Warranty and on all service programs, go to www.ImagingService.com or call (800) 626-4686. About Fujitsu Computer Products of America, Inc.
